

LIECHTENSTEIN WINTER SCHOOL 2018

ON BUSINESS PROCESS MANAGEMENT & DATA SCIENCE

18 February - 23 February 2018

Vaduz, Liechtenstein

Learn about BPM & Data Science | Get connected | Earn credits | Enjoy winter sports

The course is organized by the Hilti Chair of Business Process Management at the Institute of Information Systems of the University of Liechtenstein; one of the most active BPM and Data Science research groups in Europe.

In the Liechtenstein Winter School 2018 you will gain a comprehensive understanding of the contemporary state-of-the-art in BPM and Data Science.

Topics covered in the course include

- Introduction to BPM & Data Science
- Methods for BPM & Data Science
- Best Practice Examples for BPM & Data Science
- BPM: Alignment, Governance and Human Factors
- Data Science: Decision Theory, Technologies and Algorithms
